1. Applicant's Request for Continuing Examination is acknowledged. The after final amendment originally filed 5/11/04 is now entered.
2. Claims 13-21 are allowed.
3. The following is an examiner's statement of reasons for allowance: as suggested by applicant's arguments, the prior art of record fails to teach or fairly suggest the "unmodified", "outgoing" light beam as specifically claimed in conjunction with all the other limitations of current claim 13, and its dependent 14-20. Claim 21 is a combination of previous claims 13, 19 and 20 and is therefore allowable for the same reasons as previously set forth regarding claim 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
